## **Appeals procedure against internally assessed marks**

*Shevington High School is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the regulations and awarding body's specification and subject-specific associated documents.*

*Candidates' work will be marked by staff who have appropriate knowledge, understanding and skill, and who have been trained in this activity. Shevington High School is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where a number of subject teachers are involved in marking candidates' work, internal moderation and standardisation will ensure consistency of marking.*

*If a candidate believes that this may not have happened in relation to his/her work, he/she may make use of this appeals procedure.*

***N.B: an appeal may only be made against the assessment process and not against the mark to be submitted to the awarding body***

- 1. Appeals should be made at least two weeks prior to the deadline for the submission of centre marks to the awarding body.*
- 2. Appeals must be made in writing (using the **internal appeals form**)*
- 3. The head of centre will appoint a senior member of staff, e.g. an Assistant Headteacher or a Deputy Headteacher, to conduct the investigation. The senior member of staff will not have had any involvement in the internal assessment process for that subject.*
- 4. The purpose of the appeal will be to decide whether the process used for the internal assessment conformed to the awarding body's specification and subject-specific associated documents.*
- 5. The appellant will be informed in writing of the outcome of the appeal, including any relevant correspondence with the awarding body, and any changes made to internal assessment procedures.*
- 6. The outcome of the appeal will be made known to the head of centre and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the appeal bring any irregularity in procedures to light, the awarding body will be informed.*

*After candidates' work has been internally assessed, it is moderated by the awarding body to ensure consistency in marking between centres. The moderation may lead to mark changes. This process is outside the control of Shevington High School and is not covered by this procedure.*

## **Appeals procedure against centre decisions not to support an enquiry about results**

Following the issue of results awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the exams manager.

The service, *enquiries about results* (EARs), may be requested by centre staff or candidates (or their parents/carers). (EAR service 3 is not available to individual candidates). If a query is raised about a particular examination result, the exams officer, teaching staff and head of centre will investigate the feasibility of requesting an enquiry at the centre's expense.

When the centre does not uphold a request from a candidate, the candidate may pay the appropriate fee, and a request will be made to the awarding body on the candidate's behalf.

If the candidate (or their parent/carer) believes there are grounds to appeal against the centre's decision not to support an enquiry, an appeal can be submitted to the centre using the **internal appeals form** at least **one week prior to** the internal deadline for submitting an EAR.

## **Appeals procedure following the outcome of an enquiry about results**

Where the head of centre remains dissatisfied after receiving the outcome of an EAR, an appeal will be made to the awarding body, following the guidance in the JCQ publications *Post-results services* <http://www.jcq.org.uk/exams-office/post-results-services> and *A guide to the awarding bodies' appeals processes* <http://www.jcq.org.uk/exams-office/appeals>

Where the head of centre is satisfied after receiving the outcome of an EAR, but the internal candidate and/or their parent/carer is not satisfied, they may make a further representation to the head of centre. Following this, the head of centre's decision as to whether to proceed with an appeal will be based upon the centre's internal appeals arrangements. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within **10 calendar days** of the notification of the outcome of the enquiry. Subject to the head of centre's decision, this will allow the centre to process the appeal and submit to the awarding body within the required 14 calendar days. Awarding body fees which may be charged for the appeal must be paid by the appellant on submission of the internal appeals form. If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

**This policy will be reviewed and updated following the publication of JCQ Post-Results Services – Information and guidance to centres for examinations taken in June 2017 and November 2017 or earlier if supplementary information is provided by the JCQ. Updated guidance not available March 2017.**
