

School Uniform

We want students to be proud of their school and to wear correct uniform. The uniform is simple, but smart. It helps students to identify with each other and with the local community. Our primary phase uniform supplier is:

Tips to make your school shopping easier with us at Kids Connection

- **Phone Calls:** During the summer period we may not always answer your call, please leave a clear message with phone number & name and we **will** get back to you. You can find most information and place orders online at our website and choose to collect it in store.
- **Reserving stock:** Through the summer, stock can be reserved to pick up in store (sizes can be exchanged) with **online ordering**. We are unable to check stock and reserve over the phone.
- Have a list of any other general items you need that we may be able to provide you with such as socks, tights, sports kit, bags, labels, etc.
- Check old sizes of uniform and shoes before shopping and keep a list.
- For older children measure chest, collar, for shirts, blazers and jumpers. For skirts waist and length-knee, trousers waist and inside leg.
- If you plan to have shoes fitted please bring a pair of socks.
- To make it easy for children to try on uniform please wear suitable clothing so things can be tried on without the use of changing rooms (if possible) when full.
- During busy periods please be mindful how crowded and hot the shop can be. We recommend, where possible, parents only with children trying on uniform come in the store to prevent overcrowding. Please also keep this in mind when shopping with large prams.
- For orders placed in store, if you haven't heard from us check your receipt to ensure we have the correct contact number for your order.
- Order **iron on (for clothing) and sticky (for shoes, lunchboxes etc.)** name labels at the till where they are printed instantly.
- Stay calm and have fun! We are here to help!
