

Understanding GCSE Results – Parent Information Factsheet

I wanted to remind you of key information regarding the results that your son/daughter will receive in the summer of 2019. As mentioned at the Expectation Evening the students will be receiving numbers 1-9 in all subjects

It will be difficult to make comparisons to previous years as the exam and grading is completely new. I have included a link below to a DfE document, explaining the new grading system.

Below I have created a quick breakdown of the new grading system, compared to the old grade system.

Old grading system	A*		A		B		C		D		E		F		G		U	
New grading system	9	8	7	6	5	4	3		2		1						U	

Broadly the same proportion of students will achieve a grade 4 and above as currently achieve a grade C and above.

Broadly the same proportion of students will achieve a grade 7 and above as currently achieve an A and above.
