**The ethos of this Academy is that of a Church of England Comprehensive School which exists primarily to meet the needs of Church of England parents who wish their children to be educated by a system which introduces the student to an understanding of life based on the Christian faith as taught by the Church of England. Worship is at the heart of all the school's activities, either in school or at St.Peter's Collegiate Church. We ask all parents applying for a place here to respect this ethos and its importance to the school community. This does not affect the right of parents of a faith other than Church of England to apply for and be considered for a place here.**

*To the best of my knowledge and belief, the information I have provided on this form is correct. I understand that completion of this form does not guarantee a place at this school and I must also name the school on the Local Authority's Common Application Form. In signing this form, I support the Church of England character of this school.*

**N.B. I understand that this form may be taken off the school premises, but this will only be by Approved & DBS checked School Governors for their role on the Admissions Committee. I also understand that the data given on this document and any additional sheets will be stored in a safe location in school until being destroyed in a secure manner.**
