## ACCESSIBILITY POLICY STATEMENT

The school estate consists of 23 buildings, including several demountable classrooms. The buildings vary from single storey to three storey levels. Access to buildings above ground floor level is only Equality Act compliant in 1 building the reception and sixth form block all other access above ground floor is via stairs only. The external areas of the school estate are a mix of hard and soft landscaped areas, which form specialist sports areas, roadways, footpaths and car parks. The majority of level changes throughout these areas are stepped.

At present therefore, only the reception and sixth form block and all ground floor levels are accessible by disabled or wheelchairs users. There are designated disabled car parking bays in the main car park and a number of disabled toilet facilities in buildings at ground floor level.

The school have been provided with an Equality Act report in accordance with the Equality Act 2010, which identifies the improvements required to comply with the Act. The school is actively improving accessibility as an when building improvement schemes are considered and completed.

A copy of the accessibility plan and the identified improvements is held in the Premises Manager's Office.
