### Uniform Supply.

Bateman's Sports for over 100 years has been supplying many clubs and schools with their uniform and games kit.

Our aim is to supply product that is not only ethically produced but also of a quality to suit the everyday use. Your child is requested to wear each garment for over 30 weeks of the year and therefore the standard must be correct. We stock ALL items ALL year round and only work with suppliers where there is continuity within ranges, which in turn allows our customers to have the confidence in regularity. For example, our boy's trousers have been chosen by 2 other secondary schools to have within their school ranges based on the quality and fit and above all the feedback from parents. Being made from the best mix of fabric with a Maxtech stain resistance for durability, these trousers have a proven track record and wear well.

Price is always a key topic and where we can, we endeavour to help with special in store offers and package deals not only for school wear but also on your sporting needs. We run a very successful unique Loyalty Scheme which allows you to accrue points on your spending and receive quarterly vouchers, we have over 4,000 members and it is free to join!

Bateman's Sports is a member of "The Schoolwear Association" & "Intersport UK" this reinforces our commitment to retail and the supply of quality items and to make every effort to ensure that their sources are ethical and environmentally responsible.

Expert advice and service is our key strengths and we very much look forward to seeing you in store during the back to school period.

Happy Summer holidays.

A handwritten signature in blue ink, appearing to be "Andrew Bateman".
