

September 2018

Dear Parent/Carer

Year 9 and 10 GCSE Food Preparation and Nutrition Course

As part of the GCSE Food Preparation and Nutrition course we will be providing ingredients for students in their practical work. We would like to request a contribution of £10 which will cover the costs of ingredients for set practical cookery lessons. If you are able to make a greater contribution it will be most gratefully received. Students must remember a container in which to take home the food.

There will be some assessed practical lessons during the year. For these lessons the students may need some additional ingredients.

Please pay online – click on the Wisepay button on our website and log in using the details sent to you. If you have lost your log-in information please contact the school office.

If you would like to buy a text book to support your child's study then the book is called Food Preparation and Nutrition by Helen Buckland and Jacqui Keepin and is written specifically for the exam board we are working with (Wjec Educas). The ISBN number is 978-1-4718-6750-7. However, please note this is not compulsory.

If you require any further information please do not hesitate in emailing me gdouch@chathigh.co.uk

Yours sincerely

G Douch
