Are you an inspirational teacher who wants to make a difference to the life chances of young people? Would you like to work in an outstanding, forward thinking English department? We are a small, successful, over-subscribed Catholic school. Our culture is one of high expectations and this is underpinned by our Catholic ethos. Our students are hardworking, respectful and love English as a subject.

The English Department is a creative and energetic team. We are always looking for new ways to deliver the curriculum that excite, stretch and provoke curiosity in our students. We enjoy the stretch that our subject has into other areas of the curriculum such as Drama, Theatre Studies, Art, History, Religious Education and Media Studies. Our ever improving results, 70% of our students gained a Grade 4 in 2018 at GCSE are evidence of our deep commitment to our students. Our 2018 results were an increase of 14% on the previous year. We intend to expand on these results year on year and therefore require an individual with a resilient and strong work ethic. We are seeking to recruit a new member of our team that will bring spark, energy and empathy to the Department and our English classrooms.

If you have a passion to see young people succeed, are motivated and resilient and support our Catholic ethos, please download an application pack from our website [www.chathigh.co.uk](http://www.chathigh.co.uk)
