

Dear Parents / Carers

I am delighted that you have taken the decision to accept a place for your child at Langtree School starting in September 2018. I would like to take this opportunity to write and offer you a very warm welcome as a member of our school community. Langtree is a Leading Edge school with a specialism in the Performing Arts and in 2017 students received the best GCSE results the school has ever known. We look forward to an exciting future with tremendous optimism and I am very pleased that your son/daughter will be part of our exciting future.

By now you will have downloaded your information pack which will provide you with all you need to know at this very important time of transfer. However, if there is anything in addition you require from us please do not hesitate to contact Ms Debbie Hayward –Admissions Officer at Langtree School on 01491 683364 email: dhayward@langtreeschool.com. I know that many of you will already have received the school prospectus as part of the admissions process but, if this is not the case for whatever reason, please contact Ms Debbie Hayward in the Langtree School office and Ms Hayward will happily send one out to you.

In addition, we would encourage you to use the school website on a regular basis as all of this information, as well as the weekly bulletin, letters and newsletters, are posted electronically on the website at www.langtreeschool.com Our aim is to communicate with parents electronically where possible so it is extremely important that your email contact information is kept up to date. As we pride ourselves in our efforts to communicate as frequently and effectively as we can with parents, we also would encourage you to register a mobile telephone number on the form so that we can send you daily text alerts regarding absence/lateness. You can also follow us on twitter @head4094 so that you can receive regular updates of school news throughout the year.

May I say again how pleased I am that you will be joining the Langtree School community as a family. I speak on behalf of all staff when I say that we look forward to working with you very closely during your child's career at Langtree and I sincerely hope that this will be a very happy and successful experience.

I wish your son/daughter every success in all they do at Langtree.

Yours sincerely

Rick Holroyd
