

Key Stage 3 Curriculum

Subject	Ethics
Number of Lessons per week	2 (1 in year 9)
Topics in Year 7	Students will investigate ways in which different communities and religions develop the ideas of: Community, Belonging, Existence, Worship and Celebration
Topics in Year 8	Students will look into Human rights, responsibilities and social justice investigating a number of ethical issues including crime and punishment, prejudice and discrimination and those who work to combat it.
Topics in Year 9	Students start to prepare for the GCSE through the skills that they apply in lessons. The overarching theme of Year 9 is conflict. Students will look into conflict in and over Jerusalem, Terrorism, Conflict within religion and some of the principles of War and Peace.
Information about homework	Homework will be set to enrich the learning often asking students to find their own examples of something, write their opinion or research religious opinions to particular issues.
