

A LEADING EDGE SCHOOL WITH A SPECIALISM IN THE PERFORMING ARTS

Teacher of Mathematics

We are seeking to appoint an outstanding teacher of Maths in our leading edge school. The successful candidate will be a creative, inspirational teacher, who is seeking to develop subject leadership experience and who is ambitious for future promotion. In return, the post holder will benefit from the full support of a talented team of staff and will have the privilege of teaching fantastic students.

Langtree is a heavily oversubscribed 11-16 school with Leading Edge status and a specialism in the Performing Arts, located in the south Oxfordshire countryside. Academic results are outstanding across the school, and results in Maths are amongst the top 10% of Maths departments nationally. Ofsted state that behaviour within the school is Outstanding. This post is suitable for NQT's as well as more experienced teachers.

An enhanced DBS disclosure is required for this post. Details of this post are available from the school website at www.langtreeschool.com/vacancies or please contact the Headteacher's PA at mtaylorlane@langtreeschool.com / 01491 683382

Langtree School would welcome applications from trainee teachers of maths currently studying for a PGCE qualification.

Applications can only be accepted on a fully completed Langtree School Application Form.

Applications will be processed on receipt.
