

Teacher of Design Technology

Required as soon as possible an outstanding teacher of Design Technology.

We would welcome applications from NQT's for a September 2019 start

We are seeking to appoint a teacher of Design Technology to join a successful and dynamic faculty in our Leading Edge school. The successful candidate will be a creative, inspirational and skilful teacher, who will teach Design Technology across the age and ability range at KS3 & 4. In return, the post holder will benefit from the full support of a talented team of staff and will have the privilege of teaching some fantastic students.

This is an excellent opportunity for an outstanding teacher at any stage of their career, including NQT's, in a supportive, successful school. The post of Head of Department could be available to the right candidate. Langtree is a heavily oversubscribed 11-16 school with academy status located in an area of outstanding natural beauty in the south Oxfordshire countryside. Academic results at KS3 and KS4 are consistently high and Langtree is indeed a great place to teach. Why not come and be a part of our future?

In line with Langtree School's Safer Recruitment Policy, an enhanced DBS disclosure is required for this post. Further details and an application form can be found on the school website: www.langtreeschool.com/vacancies or please contact the Headteacher's PA: 01491 683382 or email: mtaylorlane@langtreeschool.com

Applications will be considered on receipt, an early application would be advantageous.

We reserve the right to withdraw the vacancy at any time.

Interviews will be held as applications are received
