

## International transfers of personal information

Our main servers are located in the UK and we do not directly transfer your personal data outside of the UK.

However, information that we collect from you may still be transferred to, and stored at, a destination outside the European Economic Area (**EEA**), due to a limited number of third party systems that some of our services use, as follows;

- **GoogleDocs**, used by our education services for document management
- **Google Analytics**, used in connection with our websites and Cookies  
More information about Google safeguards can be found at <https://cloud.google.com/security/gdpr/> and [https://privacy.google.com/businesses/compliance/#?modal\\_active=none](https://privacy.google.com/businesses/compliance/#?modal_active=none)
- **MailChimp**, is sometimes used by our Fundraising Team for marketing purposes, their Privacy Notice can be found at <https://mailchimp.com/legal/privacy/>

The European Commission has adopted the EU-US Privacy Shield. An agreement under which personal data can be transmitted out of the EU, giving adequate guarantees of protection. The above companies are part of US Privacy Shield.

Unfortunately, any transmission of information via the internet is not completely secure. Although we will do our best to protect your personal information, we cannot guarantee the security of your data transmitted to our Site and any transmission is at your own risk. Once we have received your information, we will use strict procedures and security features to try to prevent unauthorised access.

If you would like to receive further information about our safeguards, please contact us using the contact information provided.
