

27th November 2018

Careers in Medical Physics and Clinical Engineering

Dear Parent/Carer,

I am very pleased to write that your son/daughter has secured a place on the careers in medical physics and clinical engineering tour at New Cross Hospital on the **Tuesday 15th January 2019**. The consent letter needs to be returned to Mr Selvey so he knows exactly who wishes to attend, as there is a waiting list.

Pupils will leave St Edmunds at 8am on the morning of **Tuesday 15th January**, where they will go onto the academy minibus to the venue, which is New Cross Hospital. Firstaid-trained staff will accompany the group at all times and pupils will return to the academy for 3pm. Pupils can therefore make their usual way home.

All pupils will be required to:

- Register with staff at the pupil entrance just before 8am.
- Bring a packed lunch and drinks. Those eligible for free school meals will have one provided.
- Wear appropriate non-uniform clothing.
- Any medication they may need (inhalers etc) clearly labelled.

If you would like your son/daughter to attend, please complete the attached Consent Form and return as soon as possible to secure a place.

Yours sincerely,

Mr D Selvey
Head of Year 10

To be returned to Mr Selvey as soon as possible to secure a place.

Consent Form

Careers in Medical Physics and Clinical Engineering

Student's Name:

Tutor:

- I would like my child to take part in the Careers in Medical Physics and Clinical Engineering event.
- I consent to the administration of emergency medical treatment should it be deemed necessary by the staff accompanying the visit.

- Details of any medical problems/medication being taken
