4 March 2019

Dear Parents /Carers,

Unfortunately we are receiving a series of complaints from our closest neighbours on Compton Park - the housing estate next door to St Edmund's - regarding inconsiderate parking, blocking or partly blocking access to and from their homes at 3pm each day.

Having cars on Compton Park is always a challenge and I do fear unless we all change our habits that the risk of an accident or collision is ever increasing.

If children must be collected by car, can I request that parents please avoid coming onto the campus, which is heavily congested and arrange to park in the adjacent streets. This extra few minutes walk will have health and well being benefits for our young people and will also reduce this risk of accidents.

Please do, where possible, encourage the use of public transport, cycling and walking as excellent alternatives to the car.

Thank you for your support for St Edmund's Catholic Academy and our neighbours on Compton Park.

Yours sincerely

Maggie Hazeldine
Principal
