19th March 2019

Dear Parent/Carer,

Economics Flying Start Workshop at Star City, Birmingham

Thursday 28th March 2019

There is an opportunity for your son/daughter to attend an Economics Flying Start workshop to help consolidate their learning. The workshop is not an event that is organised by the Academy; it is being hosted by an independent organisation, Tutor2u. The event will take place at Star City, Birmingham on **Thursday 28th March, from 10.30am till 3.20pm.**

As this is an event run by an independent organisation your son/daughter will need to book and pay for their tickets independently via:

<https://www.tutor2u.net/events/a-level-economics-year1-student-workshops>

The cost of the workshop is £25.00. Transportation to and from the event will also need to be organised independently by yourself and your child.

Please note students are required to attend the workshop independently and there will not be a member of academy staff present. Please ensure your child has access to a mobile phone during the day, as it will be their responsibility to notify you of any delays/issues with transport. If your son/daughter chooses to attend this event, the Academy will authorise their absence for the day. Please confirm below if your child is attending the workshop so their absence can be authorised. All forms must be returned to Mrs Gill no later than Friday 22nd March 2019.

Yours sincerely

Mrs P Gill
Curriculum Leader Business, Economics & Law
