PARENT FORUM

You are warmly invited to our Parent Forum sessions, which will take place throughout this academic year.

Research has shown conclusively that parental involvement makes the biggest single difference to a student's engagement and achievement in school.

Each academic year, Brookvale Groby Learning Campus holds discussion forums for parents and carers to support all parties through this process.

The first session will take place in the Learning Resource Centre (LRC) in the Groby building on:

Wednesday 10th October 2018

6.30pm → 7.30pm

The first session will include a detailed briefing on how the campus has transformed the structure of our teaching and learning this year, including the introduction of knowledge organisers and our 20/20/20 homework strategy. There will also be plenty of opportunities for discussion and to ask questions.

An email to all parents/carers will be sent ahead of each forum, containing information/topics to be discussed.

If you would like to find out more, or would like any additional information, then please contact:

Elaine Freeman – efreeman@brookvalegroby.com

Or telephone 0116 2879921

We look forward to welcoming you.

Dates of future Parent Forum sessions:
