This evening convention provides an opportunity for students to consider available training and education routes, through impartial support to help guide them to an informed decision as to what to do after their examinations in 2019 and beyond.

Please bear in mind that by Christmas, students will need to have made an application via UCAS Progress for an education or training provision in 2019.

To support students with this process, the following arrangements are in place:

- 1. Careers Fair - Thursday 25th October 6:00 to 7:30pm**
- 2. BGLC Post 16 Open Evening - Thursday 1st November 6 -8pm**
- 3. Life Skills lessons – 22nd October to 14th December**  
Support to make online applications for further education commencing in Sept 2019. Students will be issued with logins to use UCAS PROGRESS.
- 4. Individual Careers Advise**  
New this year, we have our own highly trained impartial Careers Adviser who will be able to advise any students who are unsure of their next step or who have any career-related thoughts or queries they would like to discuss in an 1:1 meeting.

Regards

**Hayley Dymond, Careers Adviser**
