Dear Parent/Carer

## Year 11 Geography Field Trip 23 or 24 October 2018

In order to meet the exam board requirements, your child is required to carry out two days of field enquiry. The second of the two trips is a local fieldwork enquiry, which will investigate the mitigation of traffic risk in and around Groby. We will be taking a walking tour of Groby in order to meet this requirement. Whilst at each site we will be carrying out a number of fieldwork skills in order to collect data to help with the investigation. This has been planned for Tuesday 23rd October and Wednesday 24th October. Your son/Daughter will be told which day they are going during lessons.

We will leave school at 9am and aim to be back by the end of the school day in order for students who need to use public transport to get home. Students will need to be well prepared with warm, waterproof outer layers, hats, gloves and suitable footwear and they **will** need to wear school uniform. Students should bring water to drink and a packed lunch. There may be an opportunity for students to visit the local shops, but this is not guaranteed.

The cost of the trip will be £5.00 towards the staff cover and administrative tasks and it is non-refundable. **Payments should be made online, using a debit or credit card, by logging on to the Parentpay website. As part of the online process you will also need to give consent for your child to go on the trip and provide any medical information for them.**

Yours sincerely

*R. Gowdridge*
