Dear Parent / Carer

Normandy Residential Parents Meeting Wednesday 12th September 6.30pm

Our trip to Normandy is now fast approaching (Departure - Midnight of Sunday into Monday 24th September) and to prepare for it we are holding a Parents Meeting on Wednesday 12th September at 6.30pm in the Brookvale Dining Hall. Students are also very welcome to attend.

The meeting will give us a chance to provide you with all of the important details required for the trip - times, kit lists, itinerary etc.- to collect in some important documents, to meet staff accompanying the visit and to answer any questions you or your son / daughter may have.

If you are unable to attend information will be available in school the following day for your son / daughter to collect.

Please can you bring your son / daughters passport and EHIC card with you to the meeting which we will collect and sign for on the night and which we will keep in the school safe until departure. Trying to collect important documents from so many students in the dark at the point of departure is simply too difficult so we ask that we have them before so that we can be sure we have them all.

While not compulsory, can I suggest that as part of their reading homework over the next 3 weeks, that you encourage your son or daughter to revise some of their useful French phrases and perhaps also to do some reading around the topic of World War 2, and D- Day especially. This will enable them to really get the most from their visit.

I hope the students are looking forward to the trip - I certainly am!

Yours sincerely

Greg Godwin
