October 2018

Dear Parent / Carer

Following the tragic accident at Leicester City on Saturday evening, we have considered as a campus how we might enable our students to pay their respects and show their gratitude to club owner and Chairman, Vichai Srivaddhanaprabha. Clearly his death has had an impact on the club's supporters. However, his contribution to the city and wider community, through his generous charitable contributions, are reasons why we feel it is appropriate to give those who would like the opportunity to show their sympathy and support as members of our school community.

As such, students are invited to wear football (or other sports) shirts to school on Friday 2nd November 2018. The team represented is not important. Students should wear usual school trousers or skirts. No students are obliged to take part and normal school uniform should be worn in those circumstances. Students will be invited, but not obliged, to make a contribution to charity in memory of Mr. Srivaddhanaprabha. This will be paid to the Foxes Foundation – a charitable organisation operated by Leicester City Football Club – unless by that time a memorial fund has been created to mark this event.

Yours sincerely

Greg Godwin

Deputy Headteacher
