Dear Parent/carer

**Re: ART PACK for GCSE Fine Art Course**

We would like to recommend that every Fine Art student in Year 10 purchases a Year 10 art pack containing basic equipment that is needed on the GCSE Fine Art course. The pack includes:

- A carry case/folder
- Watercolours
- Sketching pencil
- Sharpener
- Eraser

With major coursework projects starting after Christmas, the folder will help preserve and protect artwork as it is transported as homework. Basic watercolours, a sketching pencil, sharpener and eraser will help student's complete drawing and development work at home.

The pack is available to purchase at a cost of £6.00. We ask that you make payment via ParentPay, then the pack will be issued to students by their class teacher once the order deadline is reached which is 25/1/2019.

Kind Regards
