Dear Parent / Carers and students

## Trip to The Curve 14 February 2019 - The Unreturning

We are currently organising a trip to The Curve in Leicester to watch Frantic Assembly's 'The Unreturning'. The trip is for year two groups of students:

- For Year 10 student studying drama, and is aimed at developing their experience of evaluating live performance.
- For Year 12/13 students studying performing arts, focussing on developing knowledge of the work of Frantic Assembly to support Unit 1 work.

The cost of the trip is £19. To assist with their studies, we would like your child to go on this trip. The payment item is set up for you on parentpay. Please make payment by Tuesday 5 February.

We will be leaving campus at 1.30pm and travelling to the theatre by school minibus. We expect to arrive back at campus by 5 - 5.30pm depending on traffic, so please arrange for your child to get home from school after the trip. Students will also require a packed lunch as we will have to leave at the start of lunchtime.

We hope that this performance will be a memorable experience for our students and aid them with their studies.

Yours sincerely

*R Smith*
