Dear Parent / Carers and students

Trip to The Curve Wednesday 27 March 2019 – A Comedy About a Bank Robbery

We are organising a trip to The Curve in Leicester to watch Mischief Theatre's "A Comedy About a Bank Robbery".

The trip is to support the exam your child will be taking in May 2019. As part of this exam, students are expected to be able to evaluate a piece of live performance they have seen recently. It is of the utmost importance that your child attends this performance, as much of the content in following lessons will be surrounding the play and helping them to prepare for what they will need to write in the exam.

The cost of the trip is £20, to include entry fee and transport. If you are happy for your child to go on the trip, the payment item is set up for you on parentpay. Please make payment by Friday 1st March.

We will be leaving campus at 1.30pm and travelling to the theatre by coach. We expect to arrive back at campus by 5 - 5.30pm depending on traffic, so please arrange for your child to get home from school after the trip. Students will also require a packed lunch as we will have to leave at the start of lunchtime.

We hope that this performance will be a memorable experience for our students and aid them with their studies.

Yours sincerely

R Smith
