The Access Project	10-11	Ms Voisey & Ms Hathaway

Extra-Curricular Programme Autumn Term 2018

Why should you take part in Extra-Curricular Activities?

Getting an apprenticeship, a place on a course at College or University, or a good job, is not just about getting good grades. The world beyond school is becoming increasingly more competitive, and further education providers and employers are looking for more and more from their applicants. Taking part in Extra-Curricular Activities lets employers know more about you, your interests and your strengths. It can demonstrate skills and abilities beyond those that you may use frequently in the classroom. Besides all that, Extra-Curricular Activities are fun!

The School's aim is to provide a wide and varied assortment of Extra-Curricular Activities to suit all tastes – if there is something you would like to see on the timetable that is not already there, let us know and we will see what we can do to help.

Weekly Extra-Curricular Timetable

MONDAY
