

Year 7 - Rivers of Reading

The Year 7 pupils have made an excellent start to their academic life here at Cardinal Wiseman. As part of the 'Becoming Wise' curriculum the pupils spend every Friday period 7 lesson taking part in guided reading sessions, reading a book which relates to the topic they are studying – so in History we are currently reading the book 'Once', which ties in with our study of life in Nazi Germany. The pupils' first homework was to create a river of reading, in which they documented all the different things they read over the course of a week. Below are examples from Danielle, Keeley, Ashanta, Vicandria and Alana from 7Be.

Reading is a fundamental skill; it is crucial to the pupils' success here at Cardinal Wiseman, and their wider life post-16. As such all Year 7 pupils have been issued with a reading log to encourage them to read outside of school. We ask that parents / guardians monitor this on a weekly basis.
