

STUDLEY HIGH SCHOOL

AN ACADEMY TRUST SCHOOL – ALWAYS AIMING HIGHER

8th November 2018

Dear Parents/Carers,

In order to support your son/daughter with their Science homework and revision, we have purchased “Ezyeducation Science Software”.

This package includes video clips, assessments and feedback to support pupils with their learning. All year 9, 10 and 11 pupils will receive an email on Friday 9th Nov giving them the link to access Ezyeducation Science. Their login and password will be their school email address. Pupils should then change their password and parents should take note in order that they can also access the account. Pupils will receive training on how to access the work on Monday 12th Nov.

The Science department will continue to set written homework, especially required practicals and exam paper practise, but we hope that this will be another tool to support pupils’ learning which can be monitored by parents at home as in school.

If you require further information please do not hesitate to contact Ms Haines.

Yours sincerely,

Ms Z Haines
Curriculum Area Leader – Science
