

STUDLEY HIGH SCHOOL

AN ACADEMY TRUST SCHOOL – ALWAYS AIMING HIGHER

16th November 2018

Dear Parent/Carer,

It gives me great pleasure to write to you as I can now confirm the SHINE sessions that will take place this academic year. For those new to the SHINE programme, each of these sessions are designed to help stretch the learning of our More Able pupils at Studley High School. Each one covers an aspect of learning that they would not usually cover in their classes.

The SHINE sessions last year were an overwhelming success with great feedback from pupils and parents. The sessions are voluntary but we would welcome your support in encouraging attendance at the sessions. Likewise, please encourage your child to attend a range of sessions, even if it is a topic they typically would not engage with, as this offers that additional challenge.

Your child has been emailed (to their school account) a SHINE session sign-up document. I would be grateful if you could support your child with this and discuss the sessions that they want to take part in. The majority of sessions will take place in the hall between 3.15-4.15pm. The first session is to develop the year 7 students understanding of what SHINE is and give them an insight into the sessions, so please do encourage their attendance.

If you have any issues finding the sign-up document, please follow/type/copy and paste the following url into your browser (<https://goo.gl/forms/pa7LkEqLY3Jkofhi2>) using your child's school login.

If you have any further questions or issues, please do not hesitate to contact me by phone or email (jdempster@studleyhighschool.org.uk). Also for the latest updates, please follow the SHINE twitter account: @shs_SHINE

Please see the second page for the list of SHINE sessions.

Yours sincerely,

Miss J Dempster
Teacher of P.E.
