Dear Parent

This year we are again working with the NHS and their Teenage Booster School Based Vaccination Programme and we will be offering the Tetanus/Diphtheria/Polio and Meningitis ACWY (Teenage Booster) to all students in year 9.

If your child missed out on this last year and you haven't been able to attend one of the catch up clinics but you would like your child to have this booster, please contact Mrs McDonald in Student Support (extn 298) or email pmcdonald@oathall.org so that the consent form can be sent home with your child.

With kind regards

Mrs McDonald
