

Monday 1<sup>st</sup> October 2018

Dear parent/carer,

This is a reminder that from Tuesday 2<sup>nd</sup> October 2018, there will be **no access for parents to the school car park at the end of the day**. This is due to important remodelling work being carried out on part of the school building to make it even better for our students.

We apologise for any inconvenience caused and thank you for your patience in this matter.

Kind regards

Andrea Radcliffe  
Headteacher
